RESPONSIBILITIES

Laurie joined the practice in 2005 for his student year out placement. Having then gained a First Class Honours degree with distinction he returned as a permanent member of our team in 2007. He became a Chartered Member of the Landscape Institute in 2012 and became an Associate in 2015.

EXPERIENCE

Laurie is a highly valued member of our team, with experience of the masterplanning process on a wide range of projects providing soundly based and imaginative design solutions for our clients.

He has particular expertise in play area design and has overseen the successful completion of several 'natural' and 'imaginative' play spaces for both our private and public sector clients.

Laurie also acts as a mentor for members of staff who are working their way towards chartered status with the Landscape Institute.
