RESPONSIBILITIES

Steve joined Randall Thorp in 2012 from a practice in the Midlands after attaining a distinction for his Postgraduate Diploma and a first class honours degree in Landscape Architecture from Birmingham City University.

Steve became a chartered member of the Landscape Institute in 2015 and now acts as a mentor for other members of staff who are working their way towards chartered status with the Landscape Institute. Steve became a Senior Associate in 2019.

EXPERIENCE

Steve is a valued member of our team providing soundly based and imaginative design solutions for our clients on a range of projects.

Steve has a particular expertise in strategic masterplanning and landscape design for large residential and mixed-use developments.

KEY PROJECTS

VARIOUS PROPOSED GARDEN VILLAGE SCHEMES, SOUTHERN ENGLAND (2017 - present) *GLADMAN DEVELOPMENTS*

Project landscape architect responsible for the production of landscape-led Illustrative Masterplans for sustainable new communities of several thousand new homes, new primary schools, employment, retail, sport, leisure and community facilities, extensive parkland and public open spaces. Responsible for landscape assessment and preparation of supporting inputs for outline planning applications including Design and Access Statements, Parameter Plans, Vision Documents and public consultation material.

CAMBOURNE WEST, SOUTH CAMBRIDGESHIRE (2018 - present) *THE CAMBOURNE CONSORTIUM*

Responsible for the production of landscape and urban design guidance for the site-wide Design Code for an additional 2,350 homes and associated infrastructure and open space to the west of the existing settlement of Cambourne.

VARIOUS NORTH WEST AND MIDLANDS (2015 - present) *TAYLOR WIMPEY STRATEGIC LAND*

Responsible for developing residential masterplans and producing landscape and visual inputs into Development Statements for a variety of proposed schemes across the North West and Midlands.

BEAULIEU, ESSEX (2012 - present) *COUNTRYSIDE PROPERTIES*

Project landscape architect responsible for developing and coordinating the site-wide strategic masterplan for 3,600 new homes in Chelmsford, Essex. Production of detailed designs for reserved matters planning applications relating to public realm throughout the project including parks, play areas, road corridors, greenways and village greens.

HOLT ROAD, WREXHAM (2017 - present) *BLOOR HOMES & BARRATT HOMES*

Project landscape architect responsible for the production of the Illustrative Masterplan, Design and Access Statement and Parameter Plan for the outline planning application for up to 600 new homes.

**KEY PROJECTS
(continued):**

GREAT HORWOOD ROAD, WINSLOW, BUCKINGHAMSHIRE (2017 - present)
